## About San Juan County Partnership

We are a community action agency, facilitating collaboration and resource identification and sharing. The Partnership raises the awareness of prevention efforts, supports community planning activities and projects, and serves as a forum for community input, networking and resource sharing. Those who benefit from the Partnership are community agencies and organizations, government and private business, schools and families.

Teaching . Giving . Improving . Fundamentals

TGIF is an after school and summer program that provides a safe, educational, friendly and fun place for students in grades K-8. Tutoring, homework help, and educational activities enhance academic success and encourage excitement about learning and school. The program is designed to help students meet local and state academic standards in subjects such as reading and math.

## Teaching and Tutoring Programs

Reading and Literacy  
Mathematics  
Science  
Character Education  
Art, Music, Dance, Theater  
Sports and Recreation  
Youth Development  
Community Service  
Drug and Violence Prevention  
Services for Adult Family Members  
Health and Nutrition  
Cultural Activities  
Service Learning Projects

TGIF also provides youth development activities, drug and violence prevention programs, technology education programs, art, music and recreation programs, and counseling and character education to enhance the academic component of the program.

Our goal is to form a collaborative team with community support and resources for our community's children.
